That is NOT a Legend, but the proven TRUTH, but that is not only practiced by Je but also by the Others, at least in the last ca. 100 years, by the Others (at least sinc discovery of the Adrenochrome). Such beings exist in all nations; and of course, N just all Jews are of that kind/ satanic, while many Goyim are.

The irrefutable PROOFS will be posted SHORTLY.

The propaganda spreads the LIES that this Truth is “an antisemitic canard which falsely accuses Jews of murdering Christians (especially Children) in order to use t blood in the performance of religious rituals” (I say to you of “satanic" ritujals) . L on the Internet to see how many children every year disappear without trace & for in your country.

The propaganda spreads: “The colporteurs often take up unsolved cases of kidnap misfortune or killing, especially of children, and offer "scapegoats" for them. Historically, accusations of ritual murder in European Christianity, which claimed Jews were secretly killing Christian children, had particularly far-reaching consequences: Jews would secretly kidnap and murder Christian children because

needed their blood for their Passover celebrations and for various magical or medicinal purposes."

You should already know who is spreading the biggest propaganda, not only throu the media, but also through the school systems. Those are the ultra-rich & dark ru from the shadow who like to pose as philanthropists … with their foundations etc.

Peter Thiel Is Very, Very Interested in Young People's Blood

The contrarian venture capitalist believes transfusions may hold the key to his dream of living forever.

The billionaire founder of PayPal Peter Thiel has admitted to drinking the blood of teenagers in a bid to extend his own lifespan.
The 48-year-old has funded startups dedicated to extending the human lifespan and claims that people are conned by "the idea of the inevitability of the death".

During an interview with Jeff Bercovici from Inc.com, Thiel admitted that he harvests young and infuses himself with it in a practice known as parabiosis which he claims is the closest modern science has come to creating an anti-aging panacea.

According to reports Thiel spends $ 40,000 per quarter to get an infusion of blood from a teenager during the process of "parabiosis", which means the biological joining of two individuals.
The huge expense involved in anti-aging parabiosis could lead us to a dystopian future where the wealthy, who wish to live forever, will thrive on the blood of the poor, who will die at a "normal" age.

The First & Highest Commandment of the Satans:

Do whatever you want, should be the whole of the law.

& You have to be cruel, act with an iron fist, and live unrestrained and lustfully. You have to live with it and not suppress anything, but develop it further and further.

Kabbalah is the knowledge of this, how to increase your ego and get what you want, how to be fulfilled and understand reality.

Humans can never & under absolutely no circumstances come up with such satani ideas, let alone (want to) do anything similar, because they have completely differe kind of souls & consciousnesses = feelings, thoughts, wishes & needs.

Humans (in all nations) are good-natured or even wonderful beings (depending on their own age and the stage of spiritual development), who always only want to giv share, help and cooperate honorably in their business. Only such life can make the satisfied or even happy.

Only the most primitive, shameless & evilest Satans have such ideas & desires, but Humans NEVER do, because they have completely different kind of souls & consciousnesses (feelings, thoughts, wishes & needs). Humans always want to shar help, give & cooperate honorably in their businesses. Only such life can make ther satisfied or even happy.

In these actual primate bodies dwell/ live very different souls/ beings: Different sp of animals (tame & wild beasts), satans, and not too many Humans (some angels m also appear temporarily).

Humans in all nations are always good-natured or even wonderful beings (dependi on their own level of development); but even they can sometimes become aggressi for the right reason/ when the need arises.

They have souls/ consciousnesses (feelings, thoughts, wishes & needs) that are of a completely different kind than the aforementioned beings.

But if you yourself consider you a monkey, as your esteemed scientists "know" it a have taught you, then forget this message - it is not meant for you nor for them.
